Dear Mr. Prem Sehgal,

Jai Hind. I have kept you so far in darkness about my activities but you should not think that I have not been trying to live up to my reputation and prestige. By the way during my short tour in Bengal and Bihar, I have come to know that there is much to be done in propagating the principles of I.N.A. in this part of the country. I realize that I should make my headquarters, Bhalgalpur and Calcutta, and control my sub-Headquarters in different places, according to the lay out of my programme for this purpose. I should like you to write to the premier of Bihar and the President Provincial Congress Bengal and Congress Newspapers in Calcutta and Patna by the way of introduction giving my services in I.N.A. in Germany, Holland, France and Italy, so that I may be able to see them in time of need. For this purpose I feel that I should require an authority better from you to see them in connection with my programme. If you consider it advisable you may kindly advise whether I could approach the Congress Newspapers for the publicity of my views. A little experience which I gained in my short tour in Bihar and Bengal, gives me an idea that the solution of the serious problem facing the country at the present time can only be found in making Hindu and Muslims I.N.A. minded. If the people in the country will learn how to love their mother country in the same way as a soldier loves his uniform without considering who he is. I think the goal of freedom without any division can be achieved in no time. For the time being I have decided to stay with my brother at 27/A Convent Road Calcutta, and will always take up my programme from there.

I think that you will expedite in issuing letter to persons named as requested by me.

I shall start my work after I have heard from you.

With regards.

Yours sincerely,
Sd/- Rafiq Khan.

On 2-3-46 A.S.I. Karen ChaKribodh of I.B. while on duty at Dum Dum noticed that a youth in military uniform got down at Dum Dum at about 12.00 hours from an up local train. I have received a letter from S. J. Anyo Nath Bose today about you. I have not received the things yet, which you have sent through Capt. Das Gupta. Most probably he may be on the way to Calcutta. You did not mention in your letter where Dr. Das Gupta posted I have received the letter and photograph from Dr. Hakimjee. Dear Khoka you are the only son amongst the three to whom I had high opinion. I hope you will try your level best to make your family bright name. Hope you will always bear in mind my request and wishes. We all are very anxious to see you so I wrote to Amio Babu who reply me that he will try to send you here. Don't worry for it. When we all are alive we will meet again. God is great. Please let me know which line you have selected.

2. I have taken some contract work here and Maymyo I have started work in both the places. I have been at Maymyo since last 12th April only today at 1-30 p.m. came back here. I received a letter from Putul also today, they are all well. You did not write any thing about the Shiboo and Shiboo and Shebani. I am very anxious to see them. I don't know whether I will be able to see them. The work I have in my hand is a good work. I hope I may get 3 to 4 thousand within 2 months. I had a mind to write you a very long letter but when I am writing to you I could not remember anything. Hope you will excuse me. We all are well. Please let me know about your study and health.

BENEGAL RAMESH RAO - Age 19 (1945) s/o B.SAKARAM RAO
Maharatta Brahman - Mangalore.

Address in India - Swami Ramdos Ashram, Kanhangod, Ramanagar,
Mangalore.

Address out of India - T.S.Rao, M.B. K.Stationery articles firm,
Rangoon.

HISTORY - He was born in Rangoon where his father who migrated there long ago from Mangalore was doing some business in M.B.K. firm. He has two elder brothers, one B.D.Rao and 2, B.Sumitra Rao. B.D.Rao was working in the Secretariat P.W.D. and when the war started he returned to India whose present address he does not know. His other brother B.Sumitra Rao graduated in the Rangoon University and joined the I.N.A officers training school in Rangoon in 1944. He has a relation of his one Kilpadi Amrutha Rao, a clerk in the Post and Telegraph office at Madras. His uncle T.S.Rao, a business man at Mergui in Burma wound up his business after the fall of Rangoon and joined the I.I.L. Headquarters. On the eve of Japanese occupation he tried to cross over to India by ship along with his mother, but he could not get a passage. His mother alone came away to India and he now expects her to be at Swamiramdoss Ashram in Kanhangod. After the Japanese occupation, I.I.L. was opened at Rangoon and his brother B.Sumitra Rao became the stenographer to Netaji. His uncle T.S.Rao became the Manager of the Azad Hind Bank at Rangoon. He studied upto 9th standard in St. Paul's English High School at Rangoon. He joined the propaganda camp of the I.I.L. and was receiving money from the I.I.L. Netaji assisted by the Secretary Major Jehangir, selected him and three others A.R.Dutta, G.Gandhidoss and B.K.Dev for Tokyo Cadet's School from the I.I.L. Rangoon. From Rangoon they came to Manila having been joined by six more students from Malaya and from Manila they went to Tokyo by plane. They were put up in the preparatory school for about three months from October 23rd, 1944 and were given training in Japanese language and mathematics. For about 8 months until surrendered by the Japanese 10 students of whom he is one were trained in the aviation school. All were given training in theory about planes and the working of engines. They were taught balancing in air and also given glider training. In November 1944 when Netaji arrived at Haneda Air port, Tokyo, he was garlanded by the Indian student cadets who were invited for a lunch along with other Indians in Tokyo by Netaji at his bungalow. Netaji is said to have advised them to train themselves well for being true Indians so as to achieve freedom for India.

Regarding the other particulars in respect of their return journey he corroborated R.Mayappan of Ramnad District. He added that it was only due to the inventions of Atomic energy by the Allies, Japan had to surrender and that the Americans who occupied Tokyo were astonished to find 15 thousand suicide planes ready in stock at Tokyo. He believes in the death of Netaji in the plane crash.

Mr. Pringahalli Salla 570
Prasanna Kumar Salla
of Ramnagar, P.T. Singu
Dist. Dacca.

A note on him may be
seen at pages 82 & 77 in
the I.A. file.

It appears that he worked
in different European firms
in Calcutta from 1922 to 1925
and in Dacca from 1925 to 1937.
In 1937 he was commissioned in
the I.A. as a field cashier
and later on posted to Singapore.

In Sept. 42 he joined the I.N.A.
and was posted to the S.S. Group
as an Adjutant. After the
Mohan Singh crisis he joined
the I.A. and was sent to
Rangoon. He came in touch
with Subha Ch. Datta and
accompanied the latter on a
tour (p. 78). He was appointed
as Area Commander, Rangoon
with orders to arrange accommodation
for wounded personnel & to
despatch fit men further south.
For mismanaging Capt. Brown
affair Datta removed him from
his office.

He has been labelled black.
There is nothing against him
in S.

May have no objection
to his settling in Calcutta
now that all important
ex- I.N.A. personnel have been
labelled their close.

So, what I humbly request you, is to visualise the emergency and to organise the fighting elements instead of having allowed these virile qualities of the country to be diffused in the wilderness without being utilised by the stalwarts of the land. Please allow us to organise ourselves inside India according to the advice of Netaji and so your assistance is solicited.

Copy of a letter written in English dated 16th May, 1946, intercepted at Elgin Road P.O. on 20.5.46, bearing the postal seal of issue illegible.

From: D.K. Chowdhury, C/o. S.J. Durganath Chakravarty, Tripura Modern Bank, 57 Clive Street, Calcutta.

To :- S.J. Aniya Nath Bose, No. 1, Woodburn Park, Calcutta.

Jai Hind,

Though it is unbecoming on the part of an ordinary soldier to take initiative, yet there are certain stages in freedom-struggle when the most humble one should act in the capacity of a commander. This principle was enunciated by Netaji in 1944, just after the betrayal of Major Prabhu Dayal in Imphal and Major Dey in Arakan sector. Hence this letter to you.

Despite all your efforts to help the released I.N.A. personnels, there is a chasm in the system, which if left as it is, will widen the gulf between the masses and the leadership. In view of the present situation, failure of to canalise the enthusiasm of the radical elements of the country, amounts to disinterested suicide. During the latter ~~xxxxxxx~~ part of 1943, the brave boys who at the bidding of Netaji, rushed into the jaw of death by infiltration into India, are left in the lurch. They are scattered helter - skelter without being organised into a militant body of grenadiers.

These brave boys are far superior to those flunkies and stooges who have, to-day, caught the imagination of the teeming millions of the land by their mock-heroics. It was on the 24th February 1945, that "we" were given the last instruction by Netaji to re-organise our group inside India.

Except Major-General Shah Nawaz and his other companions, even a *can challenge the veracity of I.N.A. heroes to-day* sweeper of the Azad Hind Foul, who have been metamorphose because of the unstinted support of the nation to I.N.A. affair. But, while there was no ray of hope in the horizon, it was those three heroes viz. Maj-Gen Shah Nawaz and his two companions who stood equal to the occasion at the

risk of their lives.

SPECIAL SUPERINTENDENT OF POLICE, I.B.

Extract from the Secret Malayan Security Service
Political Intelligence Journal dated Singapore 15th May, 1946.

.....

Indian affairs, like the Indonesian, have been dominated by the tendency of leaders to wish to return home. This welcome tendency is now extending to S.C. Goho, who leaves by air on May 15th. Wazir Mohd. Khan, an I.N.A. leader, who left by s.s. "Cheshire" on May 11th and Suppah, a G.L.U. adherent on the Committee of the Government and Municipal Union, who also left on May 11th. The well-known N. Raghavan, A.M. Sahay from Japan, and C.D. Nair of the Democratic League of Indians are expected to leave shortly. A movement, which has taken some time to crystallise, called the Indian Nationalist Muslim Majlis has at last made formal appearance, led by V.P. Abdullah of the Kerala Bandhu, with an inaugural meeting on May 5th. It owes its origin to S.C. Bose influence during the occupation on Muslims, mostly Malayalees, and it is pro-Congress and anti-Pakistan. It claims to be aiming at cultural and political advancement of Indian Muslim in Malaya. Its following and reception are not yet known. This development may be the outcome of the Hindu-Muslim tension reported in Issue No. 1 or perhaps a response to the Muslim campaign, suspectedly Government-sponsored, which was conducted by Havildar Sirajuddin Munir (see Issue I, page 3) who became anti-Army on return from local leave and has not been repatriated.

Dear Sirs.

Last two months I was suffering from
malaria and sent to S. N. A. Hospital at
Bangalore. With my company we had 15 members
from there I was registered (213) and sent to
Calcutta S. N. A. private Hospital. Then I
came to Madras S. N. A. relief Committee. They
gave nothing to me. Now I am in my
native place. I have a wife and four
children. I am not recovered from my
disease. I am unable to do any work.
I reported this fact to the S. N. A. Committee
at Mysore. They gave me Rs. 10/- but
have no ration card. Now I am starving.
So please kindly help with some money.
I will pay the sum later on.

Ref: Your memo No. PM/868/46 IV, dated 16.5.46,
forwarding a copy of para 172 of your Daily Notes,
dated 15.5.46.

On 14.5.46 about 500 persons, including some ladies and youngsters, received Major General A.C. Chatarji of I.N.A. at Siliguri railway station on his way to Darjeeling. The gathering carried several Congress flags and a band party was in attendance. After an address of welcome to Chatarji by Dr. Brajendra Kumar Basu Ray Chaudhuri on behalf of the local Congress and public he (Chatarji) gave a short speech in which he urged for unity, strength, firm faith and sacrifice in the cause of independence. He also requested the audience to work peacefully and not to create trouble such as in 1942. In reply to a question he said that Subhas Chandra Basu is dead as far as he knows, though he has no first hand knowledge on the point.

Major General A.C. Chatarji of I.N.A. arrived at Darjeeling the same afternoon (14.5.46). On 18.5.46 he was given a public reception at Chawk bazar, Darjeeling town, and left for Delhi the same afternoon. He came here ostensibly to recoup his health.

back to Madras as a refugee thro E.I. & M.S.M. Railway. I am at a loss to know what I should do after I reach home. I was told by Mr. Sahay that some INA relief Commatt. people would come to receive me at Calcutta but nobody came.

My liking is Fisheries. I do not know whether there are any openings in that line. I was at the Tokyo Imperial University for 3 years, last one year at the Reserch dept. In case I do not get some competent post in that line I would like to write about what I know about Japan during and after War and about East Asia. I want to contribute my articles to some newspapers. Could I get a favourable consideration and push if I attempt? My people are not rich. All three brothers of mine went to College procuring Govt. scholarships. After seeing foreign countries I could not live at the low wages Indian youths are offered as clerks or typists in India. If you think that I have did some sacrifice for India's cause please consider my case & assist me.

Casting Station. I was the first Indian representative thus to be sent to Japan. I didn't waste time. I mastered the otherwise redontable & cumbersome Japanese language and on Oct 1943 entered the Tokio Imperial University's Fisheries faculty as a Post Graduate student. From Oct 1942 I was broadcasting to India every other day. Netaji came to Tokio on 6th June 1943. During an assembly of Indians at Tokio Netaji selected me as Secretary of the I.I.L., Tokyo, which action was unanimously approved by all present. I used to get letters from Netaji admonishing me for I wrote to him several times to permit me to ~~join~~ join the I.N.A. Netaji's desire was to keep my personnel at the rear and more over he wanted me to finish my course at the Imperial University. Unfortunately our movement had to be closed owing to the surrender of Japan. My house was bombed out twice at Tokyo. I lost all my personal goods. After the surrender I was interrogated by the U.S.A. Counter Intelligence Corps and set free. In fact the Americans were kind to me. As I had a good sacrifice backing one Col. in the American army requested my services for the medical department of the U.S. 8th Army at Tokyo. I joined on October 1945 and on November 1945 I was appointed by Col. Lane as Director of Civilians affairs Department with a salary of Rs 900 (\$ 260). I was continuing the work very smoothly. One day the authority got a note from the Allied Military Police to remove me from my position as I was working for Mr. Bose during the War. This was prompted by the British Embassy at Tokyo. They spared all other Indians who were working as Clerks or Interpreters. I had to report to the Embassy and the Colonel there advised me to proceed to India by S S Royala leaving BCOF naval base KURE on 24th April 1946. I agreed to be sent back. During voyage I was interrogated twice. I was candid *frank*?. In fact the O.C. troop, admired me very much. I came to Calcutta on 14 May. I am now put up at the Refugee centre at 6 Acre Road, Park Circus. Govt. of Bengal sent some intelligence Officers after me and when I smelled them as C.I.Ds, I told them everything about me. Govt of Bengal is sending me back to

intercepted at Dharamtala P.O. on 17.5.46.

From:- K.R. Srivatsa, 6 Acre Road, Park Circus, Calcutta.

To :- Sjt. Tushar Kanti Ghosh, Editor, Amrit Bazar Patrika,
No.12, Anand Chatterjee Lane, Calcutta.

Dear Editor,

I came to know from ^{to-}day's late morning edition
of Amrit Bazar Patrika that Babu Sarat Chandra is moving ~~xxxxxx~~
heaven & earth to bring Mr. Anand Mohan Sahay to India. I
come from Japan. I was appointed as Secretary of the I.I.L.
there by our revered Netaji and I was ^astaff member of the
P.G. Free India Broad Casting Station. I was sent by the
British Embassy back to India on April 24th 1946. I heard
from Col. Figgiso at the British Embassy at Tokyo that
Mr. Sahay was detained at Changi prison at Singapore. I was
not allowed to get down at Singapore and meet Mr. Sahay whom
I know personally. But I managed to get ashore through some
assistance offered by certain Singapore merchants. To my
jubilation Mr. Sahay had been released the same day 7th May
1946. I saw him. His daughter & brother are with him. He
told me that he has made arrangements to come to India
within a week or two. He is in sound health. By the way
dear Editor I would like to bring to your attention my case
and I hope you would consider it disinterestedly. I went
from India (Madras) to Japan in Aug 1941 as Post Graduate
student in ^{Fisheries?} Fisheries at Tokyo Imperial University. I was
not allowed to proceed from Singapore to Japan by the
Colonial Secretary there. Neither he allowed me to proceed
to Tokyo nor he send me back to India. I was caught in a War
of terrible dimensions. My house was bombed out. Just
after the surrender of Singapore I joined with the Indian
Indep. League. I was selected by the league's Managing
Committee to be attached to the Hqs at Bangkok. Fortunately
they (authorities at Hqs) appreciated my talents and send
me to Tokio as staff member of the League's Broad Casting
